## CAREER OBJECTIVE

I am eager to kickstart my career in crafting engaging and responsive websites. I have a solid understanding of HTML, CSS and JavaScript along with a willingness to learn modern frameworks like React. I am passionate about creating user-friendly interfaces and translating design concepts into code. I am seeking an opportunity to contribute to a dynamic team where I can apply my skills, learn from experienced professionals and grow as a front-end developer. I want to establish myself as a Senior Front-End Developer within 4-5 years.
